

EXTREME WEATHER

As Little Athletics is run over the summer period there are times of extreme heat and also times of storms and wet weather. Due to inclement weather, competition will sometimes be cancelled (e.g. in the event of lightning, heavy rain before competition starts or extreme heat). If there are only light showers before competition it is likely that Little Athletics will still be on.

In the event of cancellation you will need to contact the Croydon Centre after 8am or 5.00pm (Twilight) on 0458 252240 .

A message will be left informing that competition has been cancelled.

NO MESSAGE = Little Athletics is ON.
